Q1 What are your top three transportation issues that should be addressed in the five county Greater Egypt Long Range Transportation Plan area? (Choose up to three)

Answered: 143 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|--|-----------|-----|
| Maintenance of existing routes and infrastructure. | 70% | 100 |
| Reduce congestion. | 33% | 47 |
| Increase safety. | 60% | 86 |
| Construction of new routes and infrastructure. | 28% | 40 |
| Additional transportation choices (transit, air, bicycling, walking, etc). | 63% | 90 |
| Movement of freight and goods. | 17% | 25 |
| Other (please specify) | 7% | 10 |
| Total Respondents: 143 | | |

| # | OTHER (PLEASE SPECIFY) | DATE |
|---|---|--------------------|
| 1 | the southwest connector | 10/28/2021 8:16 PM |
| 2 | https://en.wikipedia.org/wiki/U.SRoute_50 | 10/28/2021 2:43 PM |
| 3 | We travel I57 to sikeston and Marion five days a week. The amount of trucks seems like it has greatly increased. They are road hogs. They pull out in front of you and block passage constantly. Especially on the hill! The congestion seems to be increasingly mounting. When | 10/10/2021 7:11 AM |

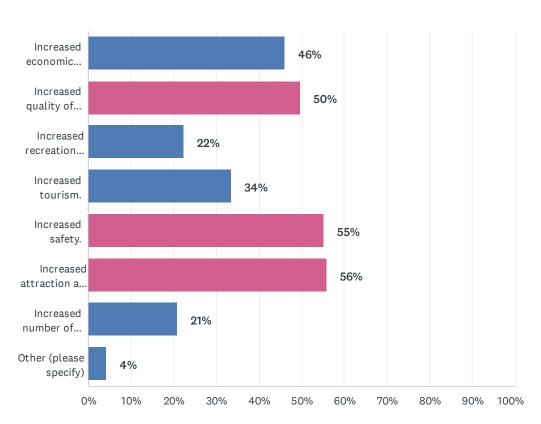

we get to I24 it's all hands on the wheel. I have been run onto the shoulder-into the guard rail

etc. the congestion is unbearable. And for some reason the Marion exit has road construction AGAIN-after years of it from 2008 to maybe a few years ago. Seriously? My suggestion for the Hill is a sign for semis that says right lane only-not sure what to suggest for the rest of the way to Marion except three lanes.....we live on the hill at exit 40. We see bicycles constantly going by. A bicycle path to fern cliff would be highly favored although we would not use it. But I am very scared for the others-if four wheelers/gators could have sa trail we would use that. We see lots of those but they just use the roads.....thanks for asking. The bicycle/gator pathways would definitely attract families here. (Goreville Road area)

| 4 | Synchronization of traffic signals to increase flow and less fuel. | 10/3/2021 10:26 PM |
|----|---|--------------------|
| 5 | Access | 10/3/2021 11:22 AM |
| 6 | Clean Roads. Litter and trash cleand from side of roads. Enforcement of littering laws | 10/2/2021 3:12 PM |
| 7 | Increase availability of handicapped/disabled and medical transport. | 9/30/2021 8:56 AM |
| 8 | Address transportation issues in ways that contribute to reductions in systemic injustices in race, gender, social class | 9/29/2021 3:08 PM |
| 9 | original roads starting from shawneetown,il to go alton & st.louis used by westward migration in 1800 (any map will show) never highligted in southern part of illinois all national trail start from st.louisewhich is OK ,but how all eastern state like KY,TN,SC,NC people use wilderness road and goshenroad which never been highlighted or found so far . | 9/25/2021 12:14 PM |
| 10 | Access to public transportation accross county lines. | 9/9/2021 9:30 AM |
| | | |

Q2 What top three benefits do you think are possible with improvements in transportation in the Greater Egypt Long Range Transportation Plan area? (Choose up to three)

Answered: 143 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|--|-----------|----|
| Increased economic competitiveness. | 46% | 66 |
| Increased quality of life. | 50% | 71 |
| Increased recreation opportunities. | 22% | 32 |
| Increased tourism. | 34% | 48 |
| Increased safety. | 55% | 79 |
| Increased attraction and retention of residents, especially young adults and families. | 56% | 80 |
| Increased number of higher wage jobs. | 21% | 30 |
| Other (please specify) | 4% | 6 |
| Total Respondents: 143 | | |

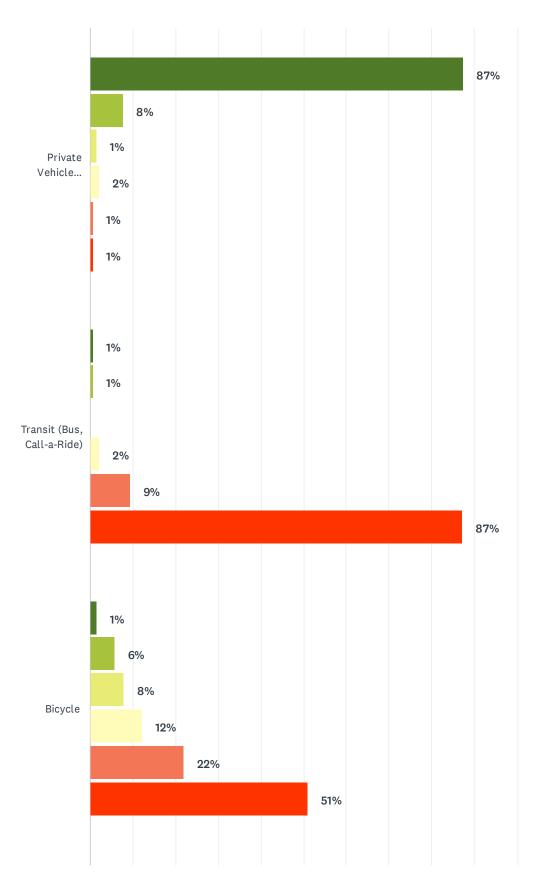

| # | OTHER (PLEASE SPECIFY) | DATE |
|---|---|--------------------|
| 1 | the above rout in illinois is first used before lewis and clark expedition as buffalo road so its | 10/28/2021 2:43 PM |
| | most important and already there to use needs recogination in process of discovery of | |

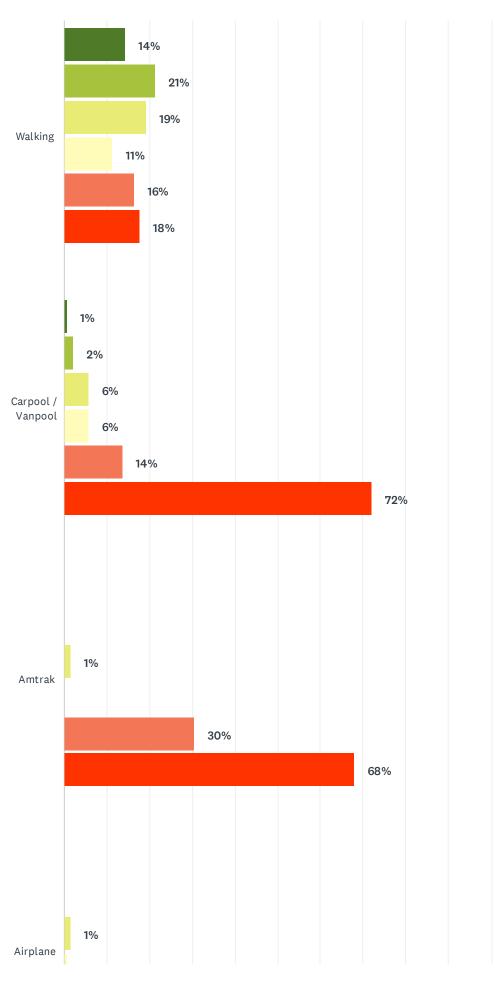

nation.

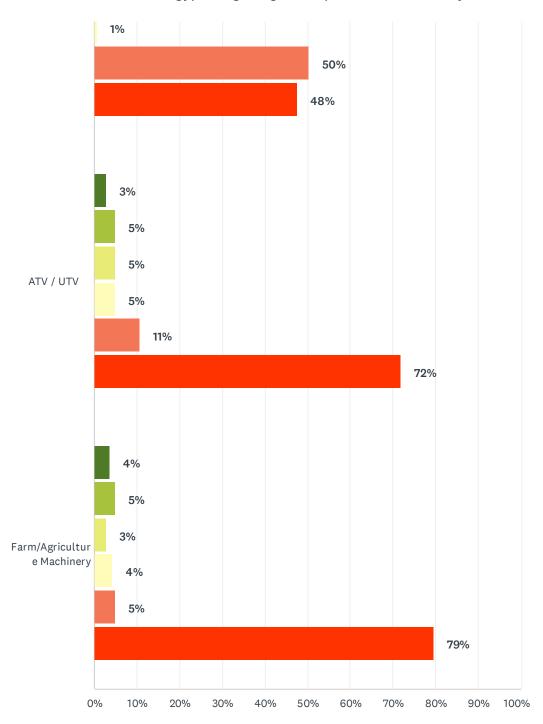

| 2 | Bicycle paths on Goreville Road would be very beneficial to this side of Goreville. We have a constant flow of bicycles gators and backpackers. People love this area. It seems dangerous. We love to ride but have no where to ride safely. | 10/10/2021 7:11 AM |
|---|--|--------------------|
| 3 | Access | 10/3/2021 11:22 AM |
| 4 | Increased aesthetics and land value in city centers (Park Ave Herrin, 13 & 51 Carbondale, etc.) | 9/30/2021 10:02 AM |
| 5 | recognize southern Illinois area as a big part of nation building event happened here like George Rogers Clark Illinois campaign in 1778-79 made Louisiana purchase possible then lewis & Clark spend winter in wood river il, and recruits the highest number of members from Illinois for an expedition then through this road westward migration happened peacefully, and the nation become united states of America. | 9/25/2021 12:14 PM |
| 6 | Improved equity. Increasing public transportation along the Rt 13 corridor would especially improve quality of life and career/economic opportunities for low-income people and people with disabilities (those who are least likely to own cars or be able to drive them). | 9/14/2021 1:44 PM |

Q3 How often do you use the following modes of transportation?

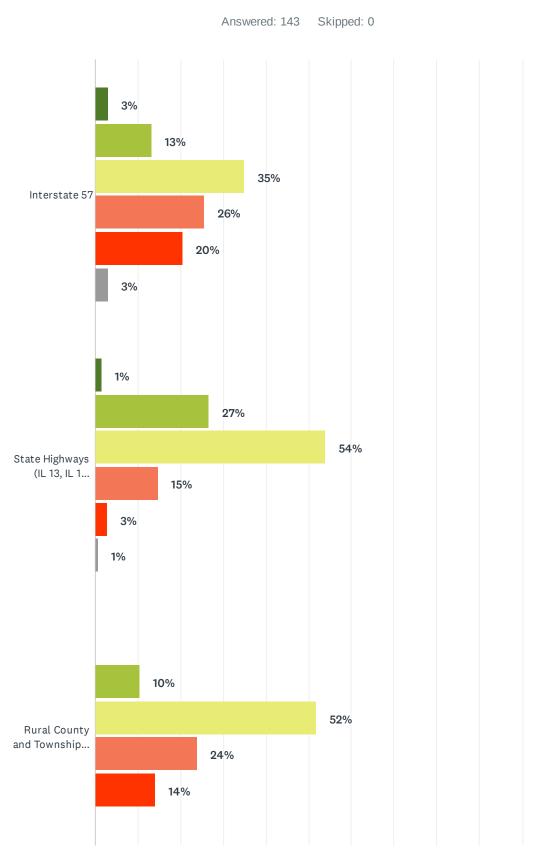

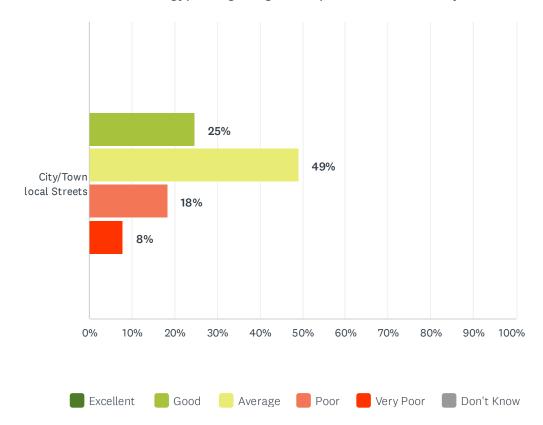

| | EVERY DAY (OR ALMOST EVERY DAY). | THREE TO FIVE TIMES A WEEK. | ONCE OR TWICE A WEEK. | A FEW TIMES A MONTH. | A FEW TIMES A YEAR. | NEVER (OR VERY SELDOM) | TOTAL |
|--------------------------------|--|-----------------------------------|-----------------------------|----------------------------|---------------------------|------------------------------|-------|
| Private Vehicle (Car/Truck) | 87% 125 | 8% 11 | 1% 2 | 2% 3 | 1% 1 | 1% 1 | 143 |
| Transit (Bus, Call-a-Ride) | 1% 1 | 1% 1 | 0% | 2% 3 | 9% 13 | 87% 122 | 140 |
| Bicycle | 1% 2 | 6% 8 | 8% 11 | 12% 17 | 22% 31 | 51% 72 | 141 |
| Walking | 14% 20 | 21% 30 | 19% 27 | 11% 16 | 16% 23 | 18% 25 | 141 |
| Carpool / Vanpool | 1% 1 | 2% 3 | 6% 8 | 6% 8 | 14% 19 | 72% 101 | 140 |
| Amtrak | 0% 0 | 0% 0 | 1% | 0% 0 | 30% 43 | 68% 96 | 141 |
| Airplane | 0% | 0% 0 | 1% | 1% 1 | 50% 71 | 48% 67 | 141 |
| ATV / UTV | 3% 4 | 5% 7 | 5% 7 | 5% 7 | 11% 15 | 72% 102 | 142 |
| Farm/Agriculture Machinery | 4% 5 | 5% 7 | 3% | 4% 6 | 5% 7 | 79% 112 | 141 |

| # | OTHER (PLEASE SPECIFY) | DATE |

| 2 | Golf cart. Daily | 10/5/2021 7:08 AM |
| 3 | I use my bike When near bike trails such as in Florida where they are on nearly every major street or when camp'ing near trails (dedicated trails only because biking on the street is unsafe). | 10/2/2021 8:54 PM |
| 4 | Generally speaking if bus service were better and if there was more designated options for cyclists, I would engage in those activities. At this time I do not generally feel safe riding a bicycle for commuting purposes and there are limited recreational options, such as bike paths. | 9/30/2021 2:57 PM |
| 5 | I drive a school bus. | 9/30/2021 10:02 AM |
| 6 | Airplane-Pre-covid as desired or needed | 9/29/2021 3:08 PM |
| 7 | this roads on map (http://www.davidrumsey.com/maps5147.html) try zooming this map and see what where and how this roads used to be today NO ROADS . | 9/25/2021 12:14 PM |
| 8 | Uber - several times each year when outside the area Cab - same as above but also use it inside SI | 9/23/2021 9:34 AM |
| 9 | I feel fortunate I am able to own a vehicle to get where I need to go. Many, many in our region are not as fortunate and sometimes have to spend a whole day to get somewhere because they don't drive or can't afford a vehicle. | 9/9/2021 9:30 AM |

Q4 How would you rate the quality (condition, safety, lack of congestion, etc) of each type of roadway in the five county Greater Egypt Transportation Plan area?

| | EXCELLENT | GOOD | AVERAGE | POOR | VERY POOR | DON'T KNOW | TOTAL |
|--|-----------|-----------|-----------|-----------|--------------|---------------|-------|
| Interstate 57 | 3% 4 | 13% 18 | 35% 48 | 26% 35 | 20% 28 | 3% 4 | 137 |
| State Highways (IL 13, IL 154, IL 37, etc) | 1% 2 | 27% 38 | 54% 77 | 15% 21 | 3% 4 | 1% 1 | 143 |
| Rural County and Township Roads | 0% 0 | 10% 15 | 52% 74 | 24% 34 | 14% 20 | 0% 0 | 143 |
| City/Town local Streets | 0% 0 | 25% 35 | 49% 69 | 18% 26 | 8% 11 | 0% 0 | 141 |

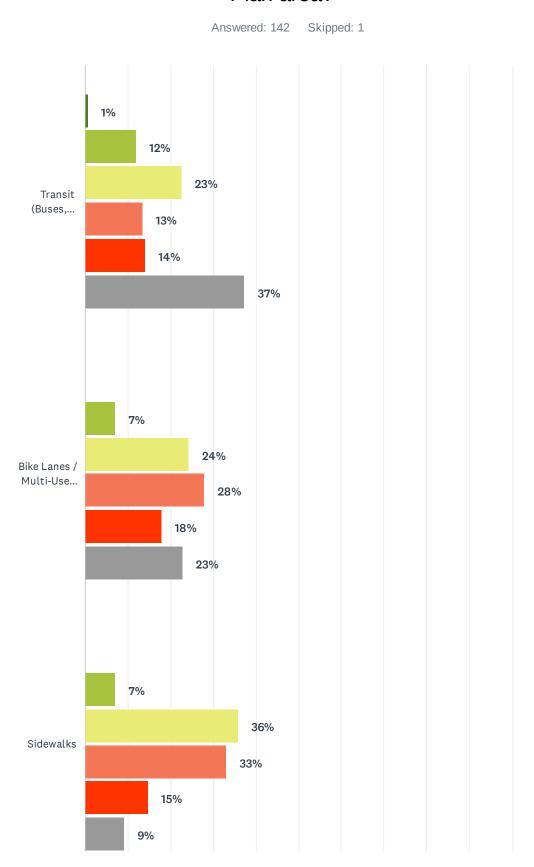

| # | OPTIONAL - PLEASE EXPLAIN (ESPECIALLY IF YOU RATED A CATEGORY "POOR" OR "VERY POOR") | DATE |
|---|---|--------------------|
| 1 | Interstate 57 is horrible. The road surface is uneven and unsafe, especially north of Johnson City. 57 needs to be 3 lanes in each direction from I-64 all way to Marion. | 11/6/2021 8:04 AM |
| 2 | Route 51 (North Hickory Street) in Du Quoin is in terrible shape - an embarrassment. Significant works needs to be done to rebuild the road from the bed up, widen the street, and improve drainage. | 11/4/2021 5:29 PM |
| 3 | Potholes are a problem. | 10/29/2021 9:57 AM |
| 4 | Interstate 57 and Route 13 are extremely congested with few vehicles driving the posted speed limit. | 10/28/2021 6:19 PM |
| 5 | Township roads in throughout Jefferson County are terrible and severely restrict business capabilities. | 10/28/2021 5:45 PM |
| 6 | Potholes across from Mayberry, manhole that sticks up near the intersection of Giant City and East Grand, Chatauqua Rd from Emerald Lane to the new round about is a mess of patches and potholes. Others, but those are the ones coming to mind now. | 10/28/2021 5:01 PM |
| 7 | visit this maps and see the original trails used in migration to westward nation expansion , | 10/28/2021 2:43 PM |

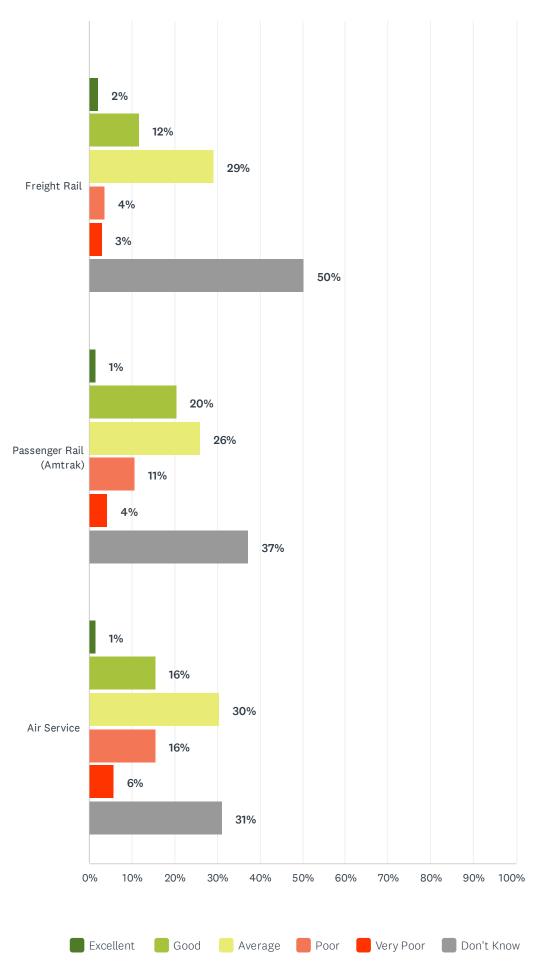

respect stl arch and follow this trails specially southern part of illinois https://www.davidrumsey.com/luna/servlet/detail/RUMSEY~8~1~1961~130157:Map-Of-Illinois-

| | Titipo.//www.davidramocy.com/idita/service/detail/Towell 1 201 100107.map of minois | |
|----|--|--------------------|
| 8 | 57 is explained above. | 10/10/2021 7:11 AM |
| 9 | To many accidents, may be better after construction is complete. | 10/5/2021 9:10 PM |
| 10 | West Frankfort roads toward the grade school and other places knock me off my golf cart they are so bad. | 10/5/2021 7:08 AM |
| 11 | The poor rating for interstate 57 is due to the constant construction and increased rate of speed for tractor trailers. These two factors create a terrible combination with a mostly disastrous outcome. Route 13 traffic lights need work as the time cycles are not productive for navigating across town. | 10/4/2021 9:36 AM |
| 12 | Small town and township streets and roads do not have enough funds allocated for proper upkeep and safety. | 10/3/2021 9:11 PM |
| 13 | Franklin co II can't do ratio oil, rock right. Lovchat dust is terrible. Mowing ratio terrible | 10/3/2021 8:08 PM |
| 14 | Repairs done by the cities are patched and rough or dipped. 148 through Herrin very rough, especially where the city breaks the roadway for infrastructure repairs, they do not smooth it to match with the rest of the road. Much smoother drive in the left lanes. The repair of the sinkhole in Energy is horrible. | 10/3/2021 11:22 AM |
| 15 | 57too crowded Local roads are poorly maintainedpotholes, rough patching, oil and chip roads are now not maintained and are gravel. | 10/2/2021 8:54 PM |
| 16 | Construction never seems to endon I 57, and could be safer with clearer lane indications and speed limits. Could we enforce these better? If you want the privilege of driving on these roads then take responsibility to drive safely and within the speed limits Safety within city not so goodsignage??? | 10/2/2021 5:34 PM |
| 17 | Not enough money being funneled to the county and communities to afford repairs. | 10/1/2021 11:52 PM |
| 18 | Rural township roads like Cambria and Colp need lots of work. Deep potholes and very narrow roadways make for dangerous situations. | 10/1/2021 3:47 PM |
| 19 | To narrow, no pull off areas, congestion. | 10/1/2021 12:30 PM |
| 20 | I-57 is the one of the only routing options between the northwestern and southeastern U.S., as it is along the St. Louis to Nashville/Atlanta/Florida corridor of I-64/I-57/I-24/I-75, so it generates an enormous amount of truck traffic. It should have been widened a very long time ago, and its current construction is taking a very long time to compete, making a bad situation worse. Fortunately, IL 13 was widened in a much earlier time. | 9/30/2021 4:21 PM |
| 21 | Lots of unattended potholes. Some places the sidewalks still need attention. Only the ones with heavy traffic were repaired or replaced. (Marion) | 9/30/2021 3:49 PM |
| 22 | Quite a few communities rely on state maintained roads as their key transportation infrastructure, even in the larger communities. There are often not may other available options besides the state maintained road as the major east-west connector in the community. Marion, for example, sees an extraordinary amount of congestion on route 13 and traffic consistently backs up on main street and there are few other options for east-west travel and rail traffic likewise impacts those corridors. Local governments have also not invested in infrastructure that provides reliable run off, or even safe run off options, and near as I can tell they have not adopted zoning practices to prevent continued construction of developments without more advanced run off options than a dirt ditch at the side of the road. | 9/30/2021 2:57 PM |
| 23 | Lots of potholes in towns and country roads, and there is ALWAYS construction on 57. | 9/30/2021 2:52 PM |
| 24 | The roads are extremely bumpy and low-quality, despite the construction constantly going on. | 9/30/2021 2:17 PM |
| 25 | Interstate 57 is very dangerous with major accidents nearly daily. Rt 13 and 37 have periods of congestion, esp 13 with safety concerns. | 9/30/2021 10:26 AM |
| 26 | County and township roads in Williamson County are particularly bad. Numerous roads need a safety upgrade and intersection improvements. (Sycamore, College St in Energy, Greenbriar, Crenshaw & Skyline, etc.) | 9/30/2021 10:02 AM |
| 27 | Inside streets of cities state roads need work badly. | 9/30/2021 9:56 AM |
| | | |

| 28 | 57 is a nightmare with construction continually and accidents if there is another option to get to my destination I will use it. | 9/30/2021 9:29 AM |
|----|---|--------------------|
| 29 | Given resources in the area, and compared to other areas I have lived in, (Atlanta, Salt Lake City) the roads are well maintained and traffic is negligible, except when there is a wreck. | 9/30/2021 8:56 AM |
| 30 | our dept never understood the importance of this roads , So far | 9/25/2021 12:14 PM |
| 31 | I57 traffic is still bad and needs to be three lanes from Marion to Mt Vernon. I know it has been started and they are at West Frankfort almost but it's taking too long to get up here to MTV. I rated local streets poor because Maple St is so uneven my cars scrape and 8th St is nothing but bumps and patchwork, it needs redone from scratch. | 9/21/2021 11:05 PM |
| 32 | Rough. Bumpy narrow | 9/16/2021 7:00 AM |
| 33 | Roads are full of potholes, grading is off so water pools in areas. | 9/15/2021 10:56 PM |
| 34 | The newest portions of I-57 seem to be the worst parts of the road in terms of potholes and construction projects. | 9/15/2021 2:27 PM |
| 35 | Local rural roads very bumpy and inadequate compared to roads in rural Missouri | 9/15/2021 1:57 PM |
| 36 | Not enough lanes on I57 and rural roads depend on the local upkeep. Most rural roads are narrow and poorly maintained. Especially difficult to travel during weather eventsincluding rain. | 9/15/2021 10:53 AM |
| 37 | It seems to me that accidents have been increasing on 57 and 13, but I don't know if that is consistent with the overall national increase, or if the situation is particularly bad here. I know that I worry more about driving than I have in the past. | 9/14/2021 1:44 PM |
| 38 | I think that there are too many potholes and hazards due to the age of the roads in town. There are also a few intersections that I think are dangerous. | 9/13/2021 9:38 AM |
| 39 | Pot holes and erosion | 9/13/2021 6:24 AM |
| 40 | Poor road quality, construction on almost all routes, and unnecessary traffic lights that increase pollution. | 9/10/2021 8:30 AM |
| 41 | Some of the pot holes in these towns will swallow the front end of a car. | 9/9/2021 9:30 AM |
| 42 | I-57 is constantly under construction and extremely congested with semi trucks. Semis plus construction zones stopping and starting make for very dangerous travel. IL 37 has several construction spots that have been ongoing for quite some time now and don't seem to be making much progress. This highway is also pretty narrow in some places with significant quick drop-offs along much of the highway. When it is dark, this can be even more treacherous. Jefferson County rural roads are in serious disrepair across most of the county. Lack of funding coupled with 16 townships to split the funding between makes it near impossible to make headway on the repair of these roads. | 9/7/2021 2:56 PM |
| 43 | As a rule township roads in Jefferson County are terrible | 8/31/2021 9:54 PM |
| 44 | There are constantly wrecks on interstate 57. There is also a huge amount of | 8/27/2021 11:00 AM |
| 45 | Safety on Interstate 57 needs to be improved | 8/19/2021 3:05 PM |

Q5 How would you rate the quality (accessibility, condition, safety, etc) of other transportation in the five county Greater Egypt Transportation Plan area?

| | EXCELLENT | GOOD | AVERAGE | POOR | VERY POOR | DON'T KNOW | TOTAL |
|-----------------------------------|-----------|------|---------|------|-----------|------------|-------|
| Transit (Buses, Call-a-Ride, etc) | 1% | 12% | 23% | 13% | 14% | 37% | |
| | 1 | 17 | 32 | 19 | 20 | 53 | 142 |
| Bike Lanes / Multi-Use Trails | 0% | 7% | 24% | 28% | 18% | 23% | |
| | 0 | 10 | 34 | 39 | 25 | 32 | 140 |
| Sidewalks | 0% | 7% | 36% | 33% | 15% | 9% | |
| | 0 | 10 | 51 | 47 | 21 | 13 | 142 |
| Freight Rail | 2% | 12% | 29% | 4% | 3% | 50% | |
| | 3 | 16 | 40 | 5 | 4 | 69 | 137 |
| Passenger Rail (Amtrak) | 1% | 20% | 26% | 11% | 4% | 37% | |
| | 2 | 29 | 37 | 15 | 6 | 53 | 142 |
| Air Service | 1% | 16% | 30% | 16% | 6% | 31% | |
| | 2 | 22 | 43 | 22 | 8 | 44 | 141 |

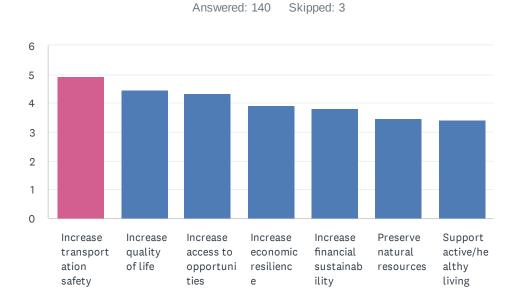

| # | OPTIONAL - PLEASE EXPLAIN (ESPECIALLY IF YOU RATED A CATEGORY "POOR" OR "VERY POOR") | DATE |
|----|--|--------------------|
| 1 | Amtrak has a bad on-time record that needs to improve. Also, passenger rail service to and from St. Louis is needed. | 11/4/2021 5:29 PM |
| 2 | Need more bike lanes, and especially more walkable communities. | 10/29/2021 9:57 AM |
| 3 | The extremely low viaduct on the CN railroad between the Village of Bluford and I-64 restricts and eliminates semi trucks, passenger buses and farm equipment. There are numerous wrecks where semi trucks rip the top of their trailers. This hazard restricts several area businesses and multiple agribusinesses. Also the Norfolk Southern and Union Pacific crossings on Rt. 15 in Mt. Vernon severely restrict all emergency services to the easter half of Jefferson County. These two crossings need grade separations so rail traffic does not impede emergency services. | 10/28/2021 5:45 PM |
| 4 | Bike lanes here tend to be on roads too tight for the lane so dangerous. | 10/28/2021 5:01 PM |
| 5 | https://en.wikipedia.org/wiki/U.SRoute_50 | 10/28/2021 2:43 PM |
| 6 | Using transit is not convenient and so I avoid it. Increased routes and frequency would mean I would use it more. Many places do not have adequate sidewalks. Generally, those that I know of are in good shape, but we need more of them, as well as more bike lanes. | 10/18/2021 3:52 PM |
| 7 | We have no bike trails or walking paths on the west end of Goreville Road. We have constant bikers a walkers and gators on this road. I'm scared for them as I said above. | 10/10/2021 7:11 AM |
| 8 | Not enough transit rides for elder or poor or people who don't drive | 10/6/2021 10:43 AM |
| 9 | The ratings for Freight and Air services were marked as unknown as I'm not sure what the potential could be for future utilization compared to current. Based on only observation I don't feel like our current rail line provides a lot but not sure if thats an industry issue or if that could marketed more to capture businesses/industry to the area. The logistics market is everchanging with continued growth from on-line ordering services. Local traffic will likely see an increase in specialized delivery companies/fleet services | 10/5/2021 10:18 AM |
| 10 | We do not offer much public transport. | 10/5/2021 6:03 AM |
| 11 | Most cities don't have bike lanes. Sidewalks are uneven or non-existent. RR crossings are rough. Amtrak is unreliable. | 10/3/2021 11:22 AM |
| 12 | Would like to see increased options for air travel. Majority of So II communities do not have adequate sidewalks, need significant repairs or do not provide for people with disabilities. | 10/3/2021 7:14 AM |
| 13 | Bike trails go no where (one mile to nowhere). Bike trails need a destinationa restaurant, a store, a bank, etc. | 10/2/2021 8:54 PM |
| 14 | RIdes Mass Transit not so timely or reliable | 10/2/2021 5:34 PM |

| 15 | A lot of track work needs to be done between Carbondale and Chicago for Amtrak and freight. It's definitely not a smooth ride. | 10/1/2021 3:47 PM |
|----|---|--------------------|
| 16 | More areas need sidewalks my area there is none. N I'm in city | 10/1/2021 12:30 PM |
| 17 | Sidewalks- while many are brand new, there are many that are impassable. Bad news for those in wheelchairs | 9/30/2021 8:45 PM |
| 18 | Not enough of those marked poor. | 9/30/2021 5:45 PM |
| 19 | Bike lanes are all but non-existent, especially in Marion. | 9/30/2021 4:21 PM |
| 20 | Sidewalk in front of my house floods when it rains and has patches of grass growing over it. The handicapped people in the neighborhood can't use them safely. | 9/30/2021 3:49 PM |
| 21 | There is basically no mass transit options in Southern Illinois other than the Call-a-Ride bus which is likewise not always an affordable option. There are limited bike lanes and mult iuse trails. Most roadways I am familiar with lack a safe sidewalk or pedestrian option. | 9/30/2021 2:57 PM |
| 22 | Sidewalks and bike lanes are practically non-existent in Marion. Where there are sidewalks, they may only go on for a few blocks, and they are often not handicap accessible. | 9/30/2021 2:52 PM |
| 23 | There are some roads popular for cyclists that desperately need wider shoulders such as Giant City Rd, Rte 127, Grassy Rd, etc. Also, smaller towns desperately need new sidewalks. Furthermore, areas along busy state highways on the edge of town need to be made more walkable. For instance, the west side of Marion, west side of West Frankfort, and better connectivity along IL 14 from West City to Benton. | 9/30/2021 10:02 AM |
| 24 | There are a lot of sidewalks that are in very rough condition, or nonexistent | 9/30/2021 9:44 AM |
| 25 | I work with folks who do not own vehicles, have fixed or low incomes and the Rides Mass Transit system is horrible for them - long waits - rude drivers - no place to get in out of the weather while waiting hours for the return bus. | 9/30/2021 9:29 AM |
| 26 | Amtrak's times are horrible. 3:16 am departures are impractical if you need transport to the station. Rides is so far from on a schedule it is a disaster. I know of people who have been 60+ minutes late on a rides bus. There are no significant bike routes between municipalities that could be used for transit. | 9/30/2021 8:56 AM |
| 27 | No need for explanations there are lots of examples if you compare to upper state or surrounding states | 9/25/2021 12:14 PM |
| 28 | Accessibility issue with lack of reliable cab service or Uber in Marion area. | 9/23/2021 9:34 AM |
| 29 | Poor on sidewalks in Mt Vernon, at least in my neighborhood on N 8th st the sidewalks are uneven and cracking and falling apart in places. | 9/21/2021 11:05 PM |
| 30 | Not a lot of multi use or bike trails in Perry County Walkability is difficult on aging and few sidewalks. | 9/16/2021 7:26 PM |
| 31 | Transit seems to be often tied to the university unless you can plan well in advance. It would be helpful to have an expanded general bus system that goes further outside of Carbondale. | 9/15/2021 10:41 PM |
| 32 | Bike lanes too fragmented and disconnected. Sidewalks outside of Carbondale are virtually non-existent or in terrible condition if present. ADA compliance is non-existent as well. | 9/15/2021 1:57 PM |
| 33 | The distance between most towns is not conducive to bicycle use. Air service and sidewalk availability is limited. | 9/15/2021 10:53 AM |
| 34 | I live in Carbondale and work in Carterville, and I would be thrilled if I could commute by bus. I would happily walk the 15 minutes on each end to get to and from Rt 13 if it meant never having to drive that stretch of 13 again. I would also eat in Marion restaurants more often if I could easily get there by bus. The drive along Rt 13 is both boring and dangerous. As for Amtrak, I am delighted that it is an option for us I just wish that their on-time performance could be improved. And if we could somehow get a train route or a nicely appointed bus service to St Louis, I would absolutely go sightseeing in STL more often. As for air, I haven't taken Cape Air yet, but friends have told me they've had good experiences with it, so I marked it "Average". Finally, a note on environmental sustainability: I'm marking "Preserve natural resources" as my number one goal below. By that I mean "reduce total carbon output of transportation" in the region. I would support projects that maybe require some loss of land in | 9/14/2021 1:44 PM |

the wildlife refuge, for example, if they were projected to have big long-term payoffs on the carbon side of the equation.

| 35 | Not available in our area | 9/14/2021 6:56 AM |
|----|---|-------------------|
| 36 | Not bike friendlyfew bike lanes and they end abruptly. | 9/13/2021 5:52 PM |
| 37 | Most sidewalks in Carbondale/Murphysboro area have zero general maintenance attention. | 9/10/2021 8:30 AM |
| 38 | Several folks I know have a hard time finding transportation. We are making good progress along Hwy 13 with bike lanes, but we need more in the small towns and a trail to connect them. The funding of building and/or maintaining sidewalks in small towns is something the towns seem to struggle with. Many towns seem to have had little or no planning for sidewalks and rely on the residents to pay for/fund the city sidewalk repairs in front of their own home. Something many homeowners simply cant afford to do. Buses do ok in Carbondale, but thats about all I have seen work effectively. | 9/9/2021 9:30 AM |
| 39 | Sidewalks in most local communities - JC and west frankfort for example, are broken and in need of repair | 9/8/2021 9:04 PM |
| 40 | Jefferson County has no passenger rail service or passenger air service. | 8/31/2021 9:54 PM |
| 41 | Transit - not accessible; no Uber/Lyft | 8/19/2021 3:05 PM |
| | | |

Q6 Based on discussion with regional leaders and the long range transportation plan steering committee, below are the draft goals for the plan. These goals will help establish criteria for future project funding. Please rank the goals below in order of importance, with number one being the most important and number seven being the least important.

2 3 4 5 6 7 **TOTAL SCORE** 32% 16% 14% 10% 13% 10% 6% Increase transportation safety 22 19 13 135 4.93 43 17 13 Increase quality of life 18% 17% 13% 21% 13% 13% 5% 24 23 17 29 17 18 7 135 4.45 16% 19% 21% 9% 13% 11% 12% Increase access to opportunities 25 28 135 4.33 21 12 18 15 16 16% 9% 20% 18% 13% Increase economic resilience 11% 13% 134 3.91 15 21 12 27 24 18 17 Increase financial sustainability 8% 14% 20% 15% 10% 17% 16% 27 23 135 3.81 11 19 20 14 21 Preserve natural resources 11% 11% 13% 9% 13% 15% 27% 18 12 18 20 36 134 3.46 15 15 Support active/healthy living 8% 9% 12% 15% 18% 18% 20% 12 20 23 24 26 131 3.40 10 16

Q7 Please list up to three transportation improvements you would like to see in the five county Greater Egypt Transportation Plan area (List in order of importance with #1 being your top priority).

Answered: 114 Skipped: 29

| ANSWER CHOICES | RESPONSES | |
|----------------|-----------|-----|
| Priority #1 | 100% | 114 |
| Priority #2 | 89% | 102 |
| Priority #3 | 76% | 87 |

| # | PRIORITY #1 | DATE |
|----|--|--------------------|
| 1 | Decrease congestion | 11/10/2021 9:25 AM |
| 2 | Improve and expand I -57 from I -64 to Marion | 11/6/2021 8:04 AM |
| 3 | Interstate highway to st louis | 11/5/2021 9:25 AM |
| 4 | End the back-ups on Route 51 in De Soto at the four-way stop intersection | 11/4/2021 5:29 PM |
| 5 | Air Service from MDH to ORD/MDW | 11/3/2021 9:36 PM |
| 6 | Interstate 64 exit at Shiloh Road in Jefferson County | 11/1/2021 5:45 PM |
| 7 | Walkable Communities | 10/29/2021 9:57 AM |
| 8 | Improved conditions on RT 13 | 10/29/2021 9:46 AM |
| 9 | Expansion of I-57 interchange at Benton / Petroff Road | 10/29/2021 8:27 AM |
| 10 | Rend Lake College Area | 10/29/2021 7:33 AM |
| 11 | Southwest Connector Construction | 10/28/2021 8:16 PM |
| 12 | Increased safety | 10/28/2021 6:19 PM |
| 13 | Grade separation at the CN overpass between the Village of Bluford and I-64 | 10/28/2021 5:45 PM |
| 14 | Rural Transits for medical needs. Happy to see SIH has a new med van running and am hoping it is being used for patient transport. | 10/28/2021 5:01 PM |
| 15 | save money and use resources already have like US50 | 10/28/2021 2:43 PM |
| 16 | Greater public transit options | 10/18/2021 3:52 PM |
| 17 | Address the safety issues I mentioned at the top of the survey | 10/10/2021 7:11 AM |
| 18 | More public transportation with more schedules | 10/7/2021 9:56 AM |
| 19 | transit rides | 10/6/2021 10:43 AM |
| 20 | Transportation improvements that will draw industry to our area | 10/5/2021 10:18 AM |
| 21 | Local streets | 10/5/2021 7:08 AM |
| 22 | More public transportation - bus, transit | 10/5/2021 6:03 AM |
| 23 | Improve infrastructure | 10/4/2021 6:12 AM |
| 24 | Setting limits on construction projects/apply goals and consequences | 10/3/2021 10:26 PM |
| 25 | Small town street improvements | 10/3/2021 9:11 PM |

| 26 | Wasting tax dollars | 10/3/2021 8:08 PM |
|----|---|--------------------|
| 27 | Increased access and accommodation | 10/3/2021 11:22 AM |
| 28 | More transportation for children | 10/3/2021 8:23 AM |
| 29 | More sidewalks | 10/3/2021 7:42 AM |
| 30 | Relieve Congestion | 10/3/2021 7:31 AM |
| 31 | Safety on secondary rural roads. Chautauqua west of campus for example. | 10/3/2021 7:11 AM |
| 32 | Improved highways and roads | 10/3/2021 1:00 AM |
| 33 | Dedicated walking/ bike trails (safety first) | 10/2/2021 8:54 PM |
| 34 | I57 six lane to Mt Vernon | 10/2/2021 5:38 PM |
| 35 | Bus routes improved and possible train between Marion and Cdale | 10/2/2021 5:34 PM |
| 36 | Sidewalks done | 10/2/2021 5:31 PM |
| 37 | Cleaner Roads | 10/2/2021 3:12 PM |
| 38 | I57 3 lanes from 24 to Mt Vernon | 10/1/2021 6:09 PM |
| 39 | More transit opportunities or expanded routes | 10/1/2021 3:47 PM |
| 40 | Few years, senior availability, | 10/1/2021 12:30 PM |
| 41 | Improve rural roads (ie, fix potholes, rough pavement, etc) | 9/30/2021 10:09 PM |
| 42 | Buses' schedules to be more consistent | 9/30/2021 8:45 PM |
| 43 | More east/west routes through Marion. | 9/30/2021 4:21 PM |
| 44 | More dependable scheduling for public transportation | 9/30/2021 3:49 PM |
| 45 | More lanes added to state routes like 37, 13, 148, 149, 14. | 9/30/2021 3:04 PM |
| 46 | Developing an alternative east-west route besides route 13 | 9/30/2021 2:57 PM |
| 47 | Sidewalks in town | 9/30/2021 2:52 PM |
| 48 | Better public transport | 9/30/2021 2:40 PM |
| 49 | Transit services | 9/30/2021 2:36 PM |
| 50 | Better quality of construction | 9/30/2021 2:17 PM |
| 51 | 3 lanes between Carbondale and Marion | 9/30/2021 1:54 PM |
| 52 | 4 lane highway from Jackson County to St. Louis | 9/30/2021 1:17 PM |
| 53 | More public transit | 9/30/2021 12:24 PM |
| 54 | Road maintenance | 9/30/2021 12:03 PM |
| 55 | 4 lane to St Louis | 9/30/2021 11:24 AM |
| 56 | Congestion | 9/30/2021 10:31 AM |
| 57 | More options, infrastructure, especially for elderly who can't get around | 9/30/2021 10:26 AM |
| 58 | Safety improvements, particularly intersections | 9/30/2021 10:02 AM |
| 59 | Pavement repair | 9/30/2021 9:56 AM |
| 60 | biking | 9/30/2021 9:45 AM |
| 61 | Sidewalks | 9/30/2021 9:44 AM |
| 62 | Road conditions | 9/30/2021 9:43 AM |
| 63 | better routes on current transit with regular drop off points to needed locations | 9/30/2021 9:29 AM |

| 64 | More bike trails and walking paths from Carterville to Marion and Carbondale | 9/30/2021 9:13 AM |
|-----|--|--------------------|
| 65 | Less construction | 9/30/2021 9:12 AM |
| 66 | Breaks from construction on 13 and 57 | 9/30/2021 9:06 AM |
| 67 | Bike Lanes on Highways | 9/30/2021 9:00 AM |
| 68 | More transport options for disabled/medical needs | 9/30/2021 8:56 AM |
| 69 | Fixed bus routes | 9/30/2021 8:38 AM |
| 70 | Less congestion | 9/29/2021 4:33 AM |
| 71 | more importance to highlight historical heritage | 9/25/2021 12:14 PM |
| 72 | Increase access to alternative types of on-demand transportation (cabs/Uber) | 9/23/2021 9:34 AM |
| 73 | More funding to highways | 9/22/2021 12:36 PM |
| 74 | Finish 3 lane I 57 all the way into Mt Vernon | 9/21/2021 11:05 PM |
| 75 | Increase quality of Life | 9/21/2021 4:39 PM |
| 76 | More bike multi use trails near Pyramid State park | 9/16/2021 7:26 PM |
| 77 | More bike lanes and paved shoulders | 9/16/2021 9:06 AM |
| 78 | more public transit | 9/16/2021 8:36 AM |
| 79 | Better township roads | 9/16/2021 7:00 AM |
| 80 | Fix holes and patches in roads | 9/15/2021 10:56 PM |
| 81 | More bicycle paths in towns, including small towns | 9/15/2021 4:59 PM |
| 82 | Bike lanes | 9/15/2021 4:11 PM |
| 83 | Infrastructure safety | 9/15/2021 2:27 PM |
| 84 | Better roads | 9/15/2021 2:10 PM |
| 85 | better connected bikeways and multi-use paths in Carbondale and the surrounding area | 9/15/2021 1:57 PM |
| 86 | Improved safety to roads. | 9/15/2021 1:11 PM |
| 87 | improved intersections | 9/15/2021 1:09 PM |
| 88 | Improvement in Rural Road Conditions | 9/15/2021 12:59 PM |
| 89 | BETTER SIDEWALKS AND BIKE LANES | 9/15/2021 12:22 PM |
| 90 | 3 lane traffic on I57 throughout the region | 9/15/2021 10:53 AM |
| 91 | Increased Transportation Safety | 9/14/2021 2:49 PM |
| 92 | Bike trails connecting Murphysboro to Carbondale | 9/14/2021 2:13 PM |
| 93 | Roads in Carbondale and Carterville | 9/14/2021 2:01 PM |
| 94 | Some sort of environmentally friendly public transportation running all day long on Rt 13 from Murphysboro to Marion and back. | 9/14/2021 1:44 PM |
| 95 | Bike Path | 9/14/2021 10:58 AM |
| 96 | Extended hours for public transit | 9/14/2021 10:57 AM |
| 97 | Four Lane Expansion For Highway 13/127 | 9/14/2021 9:22 AM |
| 98 | 3 lanes on 57 | 9/14/2021 6:56 AM |
| 99 | Bike and pedestrian safety and access | 9/13/2021 5:52 PM |
| 100 | Group transit options | 9/13/2021 5:44 PM |
| 101 | reduce dependence on personal autos | 9/13/2021 11:40 AM |

| 102 | Wide range of bus routes | 9/13/2021 9:38 AM |
|-----|--|--------------------|
| 103 | Interstate 57 construction needs to be completed | 9/13/2021 8:19 AM |
| 104 | pot hole and other maintenance | 9/13/2021 6:24 AM |
| 105 | Reduce traffic lights on IL13 from Marion to Murphysboro. | 9/10/2021 8:30 AM |
| 106 | transportation access for those socially isoldated or in need | 9/9/2021 9:30 AM |
| 107 | Low cost (electric bus) from Marion to Murphysboro | 9/8/2021 9:04 PM |
| 108 | A more direct route to the Metro East St. Louis area with four lanes. | 9/8/2021 4:34 PM |
| 109 | 4 lane expansion of traffic 127 from Jackson county to Metro East | 9/7/2021 8:32 PM |
| 110 | designated truck lane | 9/7/2021 2:56 PM |
| 111 | Promote and improve existing bike paths | 9/7/2021 8:47 AM |
| 112 | Finish 3 lanes on the interstate | 9/2/2021 8:25 AM |
| 113 | Improve grade elevation at the Canadian National overpass south of Bluford. | 8/31/2021 9:54 PM |
| 114 | More lanes on the interstate | 8/27/2021 11:00 AM |
| # | PRIORITY #2 | DATE |
| 1 | Increase safety | 11/10/2021 9:25 AM |
| 2 | Air travel to Chicago | 11/5/2021 9:25 AM |
| 3 | Rebuild Hickory Street (Route 51) in Du Quoin | 11/4/2021 5:29 PM |
| 4 | Interstate or 4- lane Hwy from Murphysboro to I-64 | 11/3/2021 9:36 PM |
| 5 | Fix Potholes | 10/29/2021 9:57 AM |
| 6 | More roadways to avoid RT 13 | 10/29/2021 9:46 AM |
| 7 | Roadway access on both sides of I-57 in Benton area | 10/29/2021 8:27 AM |
| 8 | Rend Lake | 10/29/2021 7:33 AM |
| 9 | Air to Chicago from Marion | 10/28/2021 8:16 PM |
| 10 | Increased mass transit options/availability | 10/28/2021 6:19 PM |
| 11 | UP and NS grade separations on Rt. 15 in Mt. Vernon | 10/28/2021 5:45 PM |
| 12 | Rural transits to office, school or stores etc | 10/28/2021 5:01 PM |
| 13 | where transportation mostly possible in jefferson county with interstate crossing , should provide new opportunitiey instead spending more to creat new trails | 10/28/2021 2:43 PM |
| 14 | Make access to bike paths gator paths and walking paths along the western part of Goreville Road-57 side. | 10/10/2021 7:11 AM |
| 15 | More and updates sidewalks | 10/7/2021 9:56 AM |
| 16 | movement of freight and goods | 10/6/2021 10:43 AM |
| 17 | Business/industry Routes for larger logistic vehicles | 10/5/2021 10:18 AM |
| 18 | Direct route to cities | 10/5/2021 7:08 AM |
| 19 | Bike routes | 10/5/2021 6:03 AM |
| 20 | Enhance public transportation | 10/4/2021 6:12 AM |

| 87 | Better internet access on the highway for congestion gps purposes | 8/27/2021 11:00 AM |

Q8 Are there any other comments or suggestions you would like to share about transportation in the five county Greater Egypt Transportation Plan area?

Answered: 35 Skipped: 108

| # | RESPONSES | DATE |
|----|---|--------------------|
| 1 | Due to the layout of the interstates that run through our area, there is constantly a large amount of semi traffic. While this is extremely important for economic vitality, I would like to see the transportation system accommodate them more. For example, create three lane interstates that cover the entire route from Mt. Vernon to Marion. Place signage to encourage slow moving traffic to utilize the right lanes. | 11/10/2021 9:25 AM |
| 2 | I have spoken to many friends from northern and central Illinois who are shocked by how unsafe I -57 is in our region. Many have stopped vacationing at Rend Lake and other area attractions due to the conditions on this highway. | 11/6/2021 8:04 AM |
| 3 | Glad Greater Egypt is doing this. Regional planning that emphasizes public needs over politics is the smart way to do infrastructure planning. Thank you! | 11/4/2021 5:29 PM |
| 4 | Affordable, frequent local bus transportation. | 10/29/2021 9:57 AM |
| 5 | I would like to see southern Illinois be more accessible for residents and visitors | 10/29/2021 9:46 AM |
| 6 | The I-57 interchange expansion Benton would open access to 3 business parks, provide better access to Rend Lake area camping and recreation areas, reduce traffic on the Benton Square, provide faster access to Franklin Hospital, and increase safety at the entrance and exit points of the interstate highway. This project would stimulate significant economic growth and expansion along with improved east and west access and safety for Benton and West City residents. | 10/29/2021 8:27 AM |
| 7 | There should be beautification efforts along route 13 between Murphysboro and Harrisburg. Planting of flowering plants and trees | 10/28/2021 8:16 PM |
| 8 | A passenger rail link to St. Louis would be beneficial. | 10/28/2021 6:19 PM |
| 9 | Great amounts of money is being spent on "quality of life" items along the Rt. 13 Marion to Carbondale corradore. There are numerous items (3 above) that are seriously impacting human safety and future growth. Resolving the CN overpass south of Bluford would allow very efficient intermodal transportation at the vacant rail yard in Bluford. An intermodal or transloading operation in that area would provide the fastest route to Gulf of Mexico shipping in the Midwest and save days of transportation time exporting and importing manufactured goods. | 10/28/2021 5:45 PM |
| 10 | visit this maps and see the original trails used in migration to westward nation expansion , respect stl arch and follow this trails specially southern part of illinois https://www.davidrumsey.com/luna/servlet/detail/RUMSEY~8~1~1961~130157:Map-Of-Illinois- | 10/28/2021 2:43 PM |
| 11 | No! Good luck. | 10/10/2021 7:11 AM |
| 12 | People need to be able to work and do daily business without owning a car. | 10/5/2021 6:03 AM |
| 13 | Warning system along highways to alert potential hazards ahead to alert drivers for safety. | 10/3/2021 10:26 PM |
| 14 | Access and accommodation: a disabled friend using a walker cannot use the bus routes for his therapy at the HUB. He would have to be picked up, go to Walmart to transfer to another bus, then to the HUB, and same in reverse. Already weak and disabled, this is absolutely exhausting. So friends have to schedule times and turns to take him and pick him up. | 10/3/2021 11:22 AM |
| 15 | No | 10/3/2021 8:23 AM |
| 16 | N/A | 10/3/2021 7:42 AM |
| | | |

| 17 | N/A | 10/3/2021 1:00 AM |
|----|---|--------------------|
| 18 | There is more to Southern Illinois than Carbondale. Or the Marion corridor. | 10/2/2021 8:54 PM |
| 19 | I would like to see a type of "bypass" roadway connecting the southern part of Marion/Lake of Egypt area to the west side of Marion. A loop type parkway road from South Market Road to Old 13/148 would be ideal. I imagine the Wildlife Refuge is problematic for that idea, but it would be a terrific addition. | 9/30/2021 4:21 PM |
| 20 | We are a rural region that relies heavily on nature and farming with many families and individuals utilizing ATV/UTV side by side vehicles and golf carts. I would like to see more options for these in communities and traveling from community to community. | 9/30/2021 3:04 PM |
| 21 | It would be nice if development were targeted at doing something besides trying to pretend like the development of fast food chain restaurants is the primary goal of building infrastructure. There needs to be more engagement and buy-in in local communities to making development decisions based off of existing and anticipated additional traffic. We are literally creating traffic problems by attempting to utilize existing infrastructure that was never intended to support the use that it is adopted for. I am tired of sitting in a vehicle waiting for extended periods because people never bothered to anticipate the impact of increased traffic on existing intersections and roads. Then we also have to drive everywhere because there are no other options, and local governments seem dead set on encouraging urban sprawl without regard towards the long term impacts of the development on our communities and the sustainability of our area. | 9/30/2021 2:57 PM |
| 22 | It is difficult to assess transportation conditions and needs for a 5 county are when one lives in one county and City. I live in Jackson County and know little about the roads, sidewalks, etc in Jefferson, Franklin, Perry and Williamson Counties. Thus, my answers are biased to what I know about Jackson County. I would not put a lot of weight on the responses due to this. | 9/30/2021 1:17 PM |
| 23 | Elderly who can't drive have little options. Most cannot use Rides mass transit because they have to sit for long periods at their destination waiting for pickup. More options are really important. Also I avoid interstate 57 at all costs due to safety, however that is very inconvenient. | 9/30/2021 10:26 AM |
| 24 | Southern Illinois has great infrastructure for a rural area. We do not need more roads widened such as the proposed 127 expressway. What we need is improvements on existing infrastructure that make traveling safer for cars, cyclists, and pedestrians. In that, there is great opportunity to aesthetically improve urban corridors so that land values will increase. An added bonus is that people will feel safer walking through downtowns and shopping at local businesses which will only help small businesses. | 9/30/2021 10:02 AM |
| 25 | Right now we don't have access to weekend medical transport for dialysis patients. People who can't or don't drive have to rely on friends or family as the public transit is unreliable and inconsistent. Transit has to be consistently available for it to be used. | 9/30/2021 8:56 AM |
| 26 | To maximize public input this survey should be better publicized and in various ways; Before the Plan is finalized assure Public input; Look at how the composition of the Planning body may skew the planning process, the plan in general. | 9/29/2021 3:08 PM |
| 27 | We found everything you need to develop the project, AND can help if get right job to do research and recomandation with other gov departments | 9/25/2021 12:14 PM |
| 28 | We have good transportation routes for autos and rail and need to take care of what we have. We also need to improve the walk ability and bike ability of the entire area | 9/16/2021 7:26 PM |
| 29 | Let's make southern Illinois the best! | 9/15/2021 2:27 PM |
| 30 | No | 9/15/2021 2:10 PM |
| 31 | More traffic law enforcement to reduce excessively high speeds on IL-13. Cambria road/IL-13 intersection redesign. Better secondary routes/bypasses for communites | 9/15/2021 1:57 PM |
| 32 | We may need public service announcements to help improve driving safety. | 9/15/2021 1:09 PM |
| 33 | Expansion of Hwy 51 to 4 lane for use by SIUC students and employees is much neededat least from DuQuoin to Carbondale. Total expansion of I57 throughout the region to 6 lanes needs to be made a priority and completed to reduce accidents. County main roads should be improved and maintained during weather events to promote employee availability. Bike lanes | 9/15/2021 10:53 AM |

should be added to all highways in towns throughout the region to promote bicycle use. Improvement of signage along highways throughout the region .

| 34 | Thank you for your leadership and helping improve communiciation and collaboration in the region. | 9/9/2021 9:30 AM |
|----|---|------------------|
| 35 | Carbon free electric transit | 9/8/2021 9:04 PM |
